

**CLCPA Power Generation Advisory Panel Enabling Strategy Focus of the Initiatives Summary**

<b>Initiative #</b>	<b>Description</b>	<b>Enabling Generation</b>	<b>Implementing Generation</b>	<b>Affordability Reliability</b>	<b>Out-of_Scope Impacts</b>
1	Technology Solutions	Yes			
2	Market Solutions		Yes		
3	Existing Storage Technology	Yes			
4	Long Duration Storage Technology	Yes			
5	Workforce Development				Yes
6	Access and Affordability for All			Yes	
7	Growth of Large Scale Renewable Energy Generation		Yes		
8	Reliability for the future grid			Yes	
9	Distributed Generation / Distributed Energy Resources	Yes			
10	Methane leakage				Yes
1	Reaching Zero Emissions by 2040 (Build into Technology Solutions)	Yes			
	Fossil fuel-fired electricity generation				Yes
	Advanced fuels use	Yes			
	Clean energy siting and community benefits		Yes		
	Electrification of Buildings and Transportation				Yes
	Energy delivery and hosting capacity		Yes
